		regard.
6	Discussion on Commemorative Days Celebration	IQAC Coordinator further pointed out that Institute is celebrating few Commemorative Days like Independence Day and Republic Day; however. Constitution Day, Birthday of Father of the Nation, Day, Teachers Day, etc. should also be celebrated. It will Swami Vivekananda's Birthday, Engineers improve the NAAC score too.
7	Suggestions of IQAC for improving teaching-learning process	It was discussed that Learning Management System (LMS) Module in the form of Google Class Room Teaching should be introduced at the earliest. The departments should give emphasis on improving teaching-learning process which should be conducted in hybrid mode to get the optimum result.
8	Allocation of Project work to the B.Tech pre-final year students for all departments	QAC Chairman suggested that project should be allotted to the pre-final year students so that students will get sufficient time to gain knowledge about the topic and with enhanced knowledge, good project proposals could be prepared by them in the final year which will be published as a Conference or Journal paper
9	Career Guidance Establishment of In-house Training Cell	IQAC Chairman informed that the Institute has taken of In-house initiative to start an In-house Training Cell with two components - providing technical training as well as soft skill training starting from the 1st year. The MOUs -with MCED has created an excellent opportunity for utilization of their Training to the students
