

BEST PRACTICE 1

1. Title of the Practice: Providing an enriched platform for the overall development of the students.

2. Objective of the Practice:

Nurture the students academically and non-academically.

- Motivate the students to have healthy competitions.
- Allow students to develop strong internal values and confidence.
- Encourage students to work together.
- Help students to find identity, meaning and purpose in life through various social activities.
- Foster moral values in students.
- Ensure that the students reach their goal.
- Inspire students to become better citizens.

3. Context:

- It's a platform for students to take part in higher academic activities and gain value added knowledge.
- To Accelerate overall academic development among students.
- To help students to apply theoretical knowledge for practical use.

4. Practice:

- Every Department has conducted seminars every year
- Eminent speakers are invited as resource person
- Helps students become competitive.
- Ethical and moral values are stressed to the students to form the foundation for their life.

- The students are exposed to the practice of helping others through various extension activities.
- Quality learning is imparted to the students through diverse learning opportunities such as ICT enabled learning, seminar, workshops, Study tour, Field visits, academic projects etc.,
- Course up gradation is done to enable the students to achieve their academic fulfillment
- Apart from the regular study sessions remedial classes are conducted for slow, learners.
- Students are equipped with a central library with internet facility.
- Involvement of students in sports activities enables the students to get a wholesome development of personality that includes physical fitness, mental alertness, emotional balance and social adjustment.
- Our college prepares the students to step towards their goal (Career) by enhancing their employability skills (Soft Skills & Interview Skills).

5. Evidence of success:

- There is a significant development in the personality of the students
- Enhanced Students involvement is significant as more and more students are coming forward to present papers
- Students are able to participate in many inter-collegiate competitions
- Participants were given certificate and attendance for taking part in the seminars.

6. Problems Encountered and Resources Required:

- Continuous availability of Internet for conduct of Webinar
- Time constraint is a major limitation to conduct various development programmes.
- All the class rooms have to be converted into smart rooms.
- Students felt, it was a burden of academics to participate.
- To motivate students to take part was a challenge.

BEST PRACTICE 2

1. Title of the Practice: Extension and Outreach Activities

2. Objective of the Practice:

Extension activities are made mandatory for the students to promote Community linkage, Social Responsibility and Interaction with the public.

Participation in extension activities imparts Problem Analyzing and Solving Skills.

3. Context:

In contemporary society, the students are highly ignorant about the problems of the society where they live. Therefore, it is realized that the student must be sensitized about the society and extension activities are made mandatory for them.

4. Practice:

NSS, Rotaract Club are involved in extension activities. Institute conducts the program on National Service Scheme to understand the social responsibilities.

- Safai Abhiyan and Sanitizer Distribution in school
- Organizing camps or programs like Tree Plantation, Cancer awareness, Beti Bacho- Beti Padhao Abhiyan etc.
- Participation in Vaccination Drive, School Kits Distribution in special school,
- Organizing Blood Donation Camps
- Visiting Old Age Homes to extend physical, emotional and monetary assistance.
- Organizing programs like Constitution Day, World Environment Day, International Yoga Day, etc.

5. Evidence of success:

- Our institution has got the "**Swachh College Award**" for Cleanest College at Nagpur under Swachh Bharat Mission 2021-22 by Regent High School, Kalmeshwar, Nagpur

- Our institution has got the “**Social & Educational Field Award**” for Remarkable services at social and educational field during the year 2021-22 by Prerana Multipurpose Society, Kalmeshwar, Nagpur
- Students realized the challenges faced by the school drop outs in the society.
- The students develop the quality of integrity through the extension activity.
- Students volunteer themselves to act as scribes for the visually challenged and to assist physically challenged candidates.
- Student participation in various social-cultural activities has greatly increased.
